Thanks -  
As you know, I can't speak for FCS/Brevet (not engaged by them ) but nevertheless I am pushing to get them to respond . I did speak with Mark today and his goal was to send comments/thoughts back today.

Rob, Mark,

Can you please give us any inputs/markup to the Barclay's proposal by COB today? We will be in other meetings most of the day, but happy to chat if you want. I tried you Rob twice before we got on plane, will try again on landing in a few hours.

Important we stay on schedule. Barclays wants to raise \$2B to \$3B for us over various parts, so we are eager to keep the MoJo going here and get off the ground with the first \$500M and get you guys taken care of hopefully way head of schedule!

Thanks!
